Subject T4 Slip 1 & Slip 3 Upland Facilities Storm Water Source Control Evaluation

Attached please find the Storm Water Source Control Evaluation (Evaluation) for the Terminal 4 Slip 1 and Slip 3 Upland Facilities and accompanying transmittal letter. Please note that due to file size constraints, the attached electronic version of the Evaluation does not contain Appendices A through D. The complete electronic version of the Evaluation, including appendices, will be provided on CD. CDs containing the complete electronic version and/or hard copies to follow by mail to DEQ, EPA and Parametrix as noted on the transmittal letter. If you have any questions, please contact Kelly Madalinski at (503) 944-7676. Thank you.
